## Statement of Administrator/Supervisor Support for STAT Executive Board Nominee

Dear Administrator,

We are excited to inform you that \_\_\_\_\_  
has been nominated as a potential candidate for the Science Teachers Association of Texas (STAT) Executive Board. STAT's mission is to build a community dedicated to advancing science teaching and learning in Texas, and with nearly 6,000 members, this is an honor for both the nominee and your school district.

STAT Executive Board members are required to attend face-to-face Board of Directors meetings as well as the association's annual conference, the Conference for the Advancement of Science Teaching (CAST), which is held annually in November. With the exception of the annual conference, every effort is made to schedule meetings outside of the school week. STAT reimburses reasonable and necessary travel and ancillary expenses incurred during performance of Executive Board duties.

Your signature on this notification is an indication of your support for the above-named nominee in the event he or she is named to the 2025-2026 STAT Executive Board candidate slate.
